REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest singly or in combination an input device, inter alia, a housing, a rotatable ball, an optical encoder, a control circuit, wherein said control circuit conserves power by operating the optical encoder in a periodic-pulsed mode when said ball is at rest longer than a preselected time interval and said control circuit utilizes said signals of said encoder in said periodic-pulsed mode to determine when to resume a continuous position sensing encoder mode; an infrared transmitter to transmit data corresponding to the output signals of said optical encoder; wherein the infrared transmitter transmits the data as bytes with a start bit; and wherein no infrared data are transmitted when said ball is in said power conservation state; and a user settable identification code as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
